

Miss Ruth Powell

It is with feeling of great loss and profound sorrow that we record the death of Miss Ruth Powell, on August 5, 1959, at The Peninsula General Hospital, Salisbury, Md.

The world will perhaps take little note of what we now say of Miss Ruth, but we who were privileged to work closely with her during the history of State Teachers College (from 1925 - 1959) would like to take this occasion to record a few of her many virtues and accomplishments which have enriched the lives of so many students and friends.

In 1925, when the Salisbury State Teachers College opened, she had her degree and was ready to take on the job of dormitory director. Her duties were many — nurse, personnel manager, house

She has gone but her principles and teachings, now firmly established at State Teachers College live on in lasting tribute to her. As Miss Ruth passes into history let us be glad we have had the opportunity to work and share the joys of many happy hours at State Teachers College with the woman who was able to carry the burdens of so many while she worked as nurse, dietitian, house mother, chaperone, personnel manager, and so many years as an advisor to our Alumni Association.

mother, chaperone, dietitian — it takes five or more people to do all her jobs now.

The college was the dream of the late Dr. William J. Holloway, and it was his vision, according to Miss Ruth, and Sen. Charles Disharoon's ability in the legislature which brought it into being.

In 1929 there was a flu epidemic. Miss Ruth had as many as 13 patients to care for at one time.

In 1946, Miss Powell retired and to many it seemed as though a part of the college went with her.

She not only retained her interest in the college after retiring, but also she remained active in hospital work, flower and garden club work, and people.

No "Homecoming" was complete without "Miss Ruth" presiding at the tea table - With this thought in the minds of many - The Worcester County Chapter of the Alumni Association sponsors this publication of the 1959 Alumni Directory as a tribute to Miss Ruth who so willingly enriched life at the college for all of us and whose personal interest and friendliness added strength and growth to our Association.
